Projects

Personal Portfolio Website

Hobby

- A dynamic personal portfolio website featuring my skills, experience, and completed projects as a budding software developer. Built with HTML, CSS, and JavaScript, the website includes a clean layout, project details, and a contact form.
- **Live Link:** <https://devrishisikka.netlify.app/>
- **Source Code:**

SipGenie

Hobby

- A creative project that utilized API's to recommend drinks to users, providing a personalized experience for each user. Developed a user-friendly interface and implemented algorithms to suggest drinks based on user preferences. Improved the user experience by providing detailed information about each drink and allowing users to rate and save their favorite drinks.
- **Technical Skills:** Python, FastAPI, MySQL, HTML, CSS, JavaScript.
- **Soft Skills:** Problem Solving, User Experience Design, Communication, Team Collaboration, Time Management, Adaptability, Creativity

Skills

| | |
|-------------------------|---|
| Programming | Python, Flask, Django, Dash, HTML/CSS, JavaScript, MongoDB, Data Structures and Algorithm |
| Technical Skills | Linux, Shell (Bash/Zsh), Microsoft Office, Git, Computer Architecture, Operating Systems, Computer Networks |
| Soft Skills | Time Management, Teamwork, Problem-solving, Documentation, Engaging Presentation, Communication, Creativity |

Interests

| | |
|------------------------|---|
| Cooking | I love cooking. I am an expert in most Indian-style cooking, enjoy baking and making my own pizza. |
| Linux | Since 2017, I have been in love with Linux. I recently switched to Mac OS, which feels like a premium of Linux. |
| Video Games | I always had the gaming gene. I mostly play on my phone and occasionally on my desktop. |
| Music | I enjoy almost all types of music may it be EDM, trance, pop, psychedelic, rap. |
| Cloud Computing | I have always been fascinated with cloud computing and its uses and have tried to fabricate my personal projects around it. |
